IF SICK--WHY PAY

Unless Health First Returns.

Here is what should and can be done! Now you would not willingly pay for food that was worthless--would you? Then why pay for medicine until that medicine first proves to you its actual worth? Positively knowing what Dr. Shoop's Restorative can do for the sick, I say to all "Don't pay unless health first returns." And I look my Restorative with a signed and sealed 30 day "No help, No pay" contract.

I positively pledge to the sick everywhere that "Dr. Shoop's Restorative is absolutely free if it fails." Let others do the same or else pass their prescriptions by.

If you need more strength, more vitality, more vigor or more vim, use my Restorative a few days and note the immediate improvement.

When the Stomach, Heart, or Kidneys go wrong, then test Dr. Shoop's Restorative. I do not lose the Stomach nor stimulate the Heart or Kidneys, for that is wrong. Years ago I cast away that mistaken idea in medicine. The books below will best tell you how I am succeeding.

These books also tell of a tiny hidden "inside nerve," no larger than a silk thread. They tell how that nerve, until it fails, actually gives to the Heart its power, its pulse, its never-ending action or impulse.

These books will open up new and helpful ideas to those who are not well. They tell how the Stomach, and Kidneys each have their "inside" or power nerves. They tell how the Restorative was especially made to reach and revitalize these weak or failing inside nerves. All of these facts tell why I am able to say, "It is free if it fails."

This is why I say "Take no chance on a medicine whose maker dare not back it just as I do by this remarkable offer."

So write me today for the order. I have appointed honest and responsible druggists in nearly every community to issue my medicines to the sick.

But write me first for the order. All druggists will Dr. Shoop's Restorative, but all are not authorized to give the 30 day test. So drop me a line please--and thus save disappointment and delays. Tell me also which book you need.

A postal will do. Besides, you are free to consult me as you would your home physician. My advice and the book below are yours--and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your single cent. So write now while you have it fresh in mind, for tomorrow news comes. Dr. Shoop, Box 12, Racine, Wis.

Obituary.

One of the saddest and most unexpected deaths which has occurred lately was that of Mrs. Joseph Koelsch, who died at her home in this city Sunday, Dec. 4, 1910, at 1:10 p. m., aged 64 yrs. 8 months and 27 days.

Mary Anna Held was born in Richfield, Wis., March 7th, 1846. Here she spent her childhood, later moving to Milwaukee, Wisconsin, where she met and married Joseph Koelsch June 1st, 1871. In 1879 with her husband she moved to Kansas and to Ellinwood. To this happy union were born nine children, two of them already are waiting for their mother, who by her every day Christian life, has an assurance of Heaven.

Mrs. Koelsch has always been a great home maker for her husband and children, tenderly administering to their many demands from their childhood till her death, and by her sympathetic nature and genial disposition has won many life long friends who deeply mourn her departure. Through the summer months she complained of a slight illness but death was not dreamed of and her unexpected end came as a great shock to her children, relatives, and friends. She leaves a husband, seven children, one sister and three brothers to mourn her loss, and who have the sympathy of the community.

Funeral services were conducted from the home Tuesday afternoon at two o'clock.--Ellinwood Leader.
